

An Invitation to the net gallery

Are you wondering how to get your works better visible or more widely known? You have to put effort in it, or not.

The purpose is also to compare the making of prices and appreciation in different cultures.

The moving ateljehome [www.euroauto2000.fi](http://www.euroauto2000.fi), which is electrified by the Sun and also otherwise ecologic and well equipped is of course following happenings in live and through video. You can participate as a Supporting member with 10 € per year.

We will link you also to your own web-pages as well as to our pages in return.

You can also participate different journeys. Then you pay your share of costs and take part in jobs during the journey. You have your own bed and there will be a kitchen too.

The destinies will be decided by discussing.

We represent greater number of people than the citizens of Finland or the Finnish media altogether.
